“ *As days have gone by since your passing, my mind keeps coming back to you sweet Nancy. I met you many years ago and was blessed to do your hair but even more blessed to enjoy so many laughs as well as tears and hugs with you my precious friend. You loved hard and sincerely. I am so glad to know you are now again with your mother and daddy who you loved and missed so much. I am also very blessed with Our Saviors reassurance that I will see you again in Heaven with Our Father God ❤️. I love you so much Nancy and I still feel your giant hugs and your awesome contagious laughter. Until we see each other again ...❤️*

“ I just found out about Nancy and it really hurt my heart. I met Nancy working at Bath and body works. We created a bond working there and used to hang out after work a lot. Nancy was a sweetheart. I am praying for peace for her family. She will truly be missed.

“ I am saddened to hear of Nancy passing away. We have been friends since elementary school. So I have known her for a huge part of my life. We have chatted often through the years and met for lunch or coffee. She was my friend for a lifetime. We were going to grow old together. She was such a sweet kind hearted person. I am heartbroken and deeply saddened. I will truly miss her ❤️ my prayers will go to her family for peace and comfort during this difficult time. With love- Kelly Oglesby West
