“ *I will never forget how pretty Nancy looked in her uniform the first time I saw it when she visited me and Sara, my sister in College Park.*

*Recently when I visited her at Christian City and told her how adorable she looked she laughingly said, "I chose that branch of the military because I liked the uniform"! Nancy was a strong person with definite views, super intelligent and I can see that in her children, traits to be admired. She was one of a kind! With much love! Nita McFarlin, 1st cousin*
