“ Nancy and Bill were very loving people. They showed me around their town and their lovely home which I enjoyed very much. Nancy was a person I would have liked to have had as a close friend.

Thinking of family tonight.....and started looking on the interest for those I “might” be able to contact. I was sad to see that my cousin, Nancy Lou, had passed.she was one that I always intended to get in touch with, but life got in the way. I would love to talk to some of her family, if they would care to reach out to me sometime. I have such fond memories of Uncle Jim,Aunt Mae and Nancy Lou when I was a little girl.
