You are like another son to me for years and years. I am so proud of you and your wonderful family.I know it hurts but your mom is in no more pain and no more worry. Wonderful for her hard for you. I sent a msg yesterday and it all went away. I learned so much from you about respect and kindness. You have always looked after me and called yourself my other son. Your mom is at peace and I know you and Dana are too. Blessings on you. I love you

We are all who we are as a result of those who nurture and guide us. I am forever thankful to your mother for the kindness and character she fostered in both of her sons.
