“ *To Nancy's Family*

My name is Sandy Coley & I am a patient that has dialysis at DaVita. I met your precious Nancy at dialysis and I loved her from the time I met her.

She was such a sweet, sweet lady. We didn't have a chance to talk much but I want you to know that I missed her when she was in the hospital and wasn't

at dialysis. When she came back to dialysis she never looked like she felt good. When I found out on Friday that she had passed, it broke my heart. I did love Sweet Nancy. I cannot be sad for Nancy because she will never have to do dialysis again & she is now with

her husband & with Jesus. She is completely healed and will never feel pain again. I now look forward to being with Nancy in heaven.

May God bless you all & give you peace.
