“ Tadd and kids, There is no logic behind what has happened other than she truly is an "Angel" from above and God needed her for a mission. Unfortunately it was way too soon. You all are in our thoughts and prayers. We are here for you any day, any night, any time. Don't hesitate to call or stop in, whether it be for a simple hello or a shoulder to cry upon or an ear to listen. We love you with all of our hearts. Angel, words can't express how much you will be missed by your family and friends. I can say that I am going to miss you dearly. You always had a smile on your face, no matter if you were happy, sad or mad. You gave me strength to keep going many times and I will always cherish our friendship. I have many memories that I will keep close to my heart. I miss you very much already. Go in peace and love my friend.
