I share many fond memories and endless practical jokes at UCPD with the crew (Mike aka The King, Elaine aka Mama, Keith, Evelyn, Barry, TJ (Tom or Pappy), Mike V. and of course Uncle Henry)... I know that Barry, Mike V. , Tom and Henry met you at heaven's gate! May you find peace on the other side... You will always be a memory of some one special.....

“ I send my condolences to the family and friends of Nicholas because during this difficult time we all need comfort. Death is describe in the Bible as "the last enemy". It breaks into our lives often completely unprepared. However with the love and support of others our grief will soften. Your precious memories can be treasured. God promise s found in the Bible can give you real hope and comfort. Jesus assures us "the hour is coming which all those in the grave will hear his voice and come out". [John 5 : 28-29]
If you would welcome more information on how to find real hope and comfort please visit www.jw.org And again I am sorry for your loss.

“ I first met you Nick when you had just joined South Fulton Ambulance Service in the Winter of '73 and had the blessed opportunity to work with you over the decades as your EMS and law enforcement career evolved. I considered you like a brother and my lifelong friend. I'm so glad that Chip, T.J., Hilborne and I had the chance to see you once again on May 18th. When ever I look at the classical painting "The Umpires" by the late Norman Rockwell, I will always see your spirit and your undying love for baseball. I will badly miss you my brother will carry a hollow emptiness in my heart. Rest in peace and my most deepest prayers for the Marlin family during this time of such great loss.

“ I personally know Nick through the great game of baseball as an official and friend
I am always filled with sorrow when someone I know personally passes but then there is joy and celebration of life that Jesus prepared for each one of us that have put out faith and trust in Jesus alone. I will miss Nick as he was always a pleasant man to be around and always took care of business.

My deepest sympathy and prayers for Nicks family for peace and guidance as you move forward with the memories that Nick has left you and us with.

1Corinthians 2:9,10

9But, as it is written,

*"What no eye has seen, nor ear heard,
nor the heart of man imagined,*

what God has prepared for those who love him"—

10these things God has revealed to us through the Spirit. For the Spirit searches everything, even the depths of God

God Bless the family

“ The only thing Nick loved more than baseball was his family and friends. His loss is truly a loss to everyone that knew him. He will be truly missed, but God needs a great umpire for baseball's greatest legends & He's picked a great one! Rest in peace, Nick!
