“ *Norene Is my mamas youngest sister, and my aunt Mama used to spend the summers with Norene after daddy died and they enjoyed it so much. They would go shopping a lot and just sit and talk. Mama would tell us how much she enjoyed it. Mama is in a nursing home now and has dementia, so she won't even know that her sister has passed away, which makes us all so sad because she loved Norene so much. Our family sends our condolences to all the Woodruff Family. We love you all so much. Gloria Hopson Turner and all the rest of our family.*
