Novis was a beautiful loved person in our lives. We always enjoyed family time. She loved life and doing many things including travel. She loved gardening and canning which was a joy we shared. The Apple Festival was a favorite trip. God bless her soul and give her peace.

“ When I think of Nannie Novis I’m quickly reminded of wonderful childhood memories I had the honor to make with her. I enjoyed putting puzzles together with her, although Skeet (her dog) didn’t care for me to much and was very protective of Nannie Novis. I can still hear her special chuckle saying “yeah” while holding a pinch of her peach snuff in her lip. Nannie Novis was strong, independent and very talented. She altered a lot of our clothing. I remember her little truck with the camper on the back and just spending time together. Truly a precious lady! Thanks to you Nannie Novis I have my Uncle Doug. I love you! - Ashley Dozier
