“ My condolences to the Ward and Haynes families and friends. I have many sweet memories that will always be a special remembrance of Novis. She loved her family, home, friends, church, and opportunities to travel. I became closer to Novis during the years she lived with her son (Barry) and her daughter-in-law (my sister, Ann). Like our Mom, Novis was a great cook and she enjoyed being a part of what was going on in the kitchen and sharing great recipes. These years bring many special memories. I'm also glad for the time when Novis lived in her home in College Park. I worked close by and was able to visit on my lunch hour. I loved taking her favorite lunch; a Chick-fil-A sandwich. Her home was a sweet reflection of her and a lot of collectables from travel and things that were important to her. Loved sharing this time with her! Novis loved company and when it was time to go, she'd say, "stay a little longer". Novis now in the Best Home Ever ...our eternal home with the Lord I look forward to being in our Heavenly Home!
