“ *I spent many days (and nights) at Oliver's' house with him, his parents, Sammy and Alice as we were growing up. Spent a number of Sunday afternoons swimming in Pee Creek, playing around Cedar Rock or "messing with Uncle Buddy". Although we haven't been in touch in a number of year, I still consider him one of my closest friends and sorry that I can to be there to support the family during this difficult time. I know we will all miss him but I pray for comfort for the family during this time.*

“ *Mr. Campbell will be missed dearly. He was a thoughtful and kind man who loved the lord dearly. He taught me many things from working on small engines even woodworking. To also understand and identify different plants and trees in the outdoors. I will always cherish the memories and our special handshake my friend.*

“ *Mary and family,
We all will miss Oliver being around. He was one of our favorite people. He was always willing to help us all, anyway he could. He was a fine example to us all. Prayers for the whole family during this time. He is with his parents, daddy, Sammy, and others that have left us. I bet they are having a big party!
