“ The love of your Dad is never lost. The memories are always there. You'll miss him everyday and he will comfort you still. God is great and keeps him near. Your heart will ache when you think of him and he will make it clear that he is still there to wipe away every tear. So sorry for your Loss.

Will miss him being in place on Sundays and Thursday night dinner and service. We will be praying for the family in this time of joyful sadness. Love to the Family. Bruce and Faye Moody

“ My love and sincere condolences go out to Jesse, Sherry and the entire Allen family. They say time heals all wounds, that's not entirely true. The pain lessens and may become bearable but the truth is you never fully recover from losing a loved one. What does help to get you through this heartbreaking time is the love you all have in your heart and the wonderful memories you have of Bud. Try not to dwell on the loss and celebrate his life. A loved one can never really be gone as long as they live in your heart. So keep all your cherished memories in your heart and believe someday you will all be together again. Love you all.
