“ Johnny,

*I am going to miss your mom so much! Both your mom and your dad were such dedicated members of Mt Vernon. I have so many memories of your family. I can still see your mom serving up the kool aid at VBS. She always had a smile on her face and always laughing. I used to tell her Herman was so handsome. She would laugh and say "that's why I married him"! I am sorry for your loss. She will be greatly missed at Mt. Vernon and by our family as well. I know its been a tough year for you.*

“ Pallie was a positive influence on others. She wasn't in the forefront but she always was supporting Mt. Vernon , probably never got the recognition she deserved. I was the first born on Mother's McClure first cousin side of the family. Pallie and Herman would babysit me. She loved telling me about how they all thought I had colic, but, later she decided I was just Spoiled. She had a great laugh and smile. I would tell her how good she looked and she would return the compliment, then she would say " We can't help it can we"..then she would laugh. I will miss her. I Loved her.

“ I really don't remember a time when Pallie wasn't a part of my life. She has always been a close friend. She is a beautiful lady and always had a smile. I want the family to know that each one of them is in my thoughts and in my prayers. Wouldn't it be Wonderful if everyone could leave the memories that Pallie has for all who knew her.

“ I’m so sorry to hear of Miss Pallies passing. She was a true God loving lady. She was always so kind to me and my family. Our time at Mt Vernon Church with Pallie, Nanny Furney, Miss Mary, Miss Helen, Miss Jessie, Miss Betty and the list could go on was some of my best memories at Church. VBS these ladies always had the snacks ready for the children. I will never forget get her. May God give the family confront during this time.

“ *I last saw Pallie at the McClure Reunion at Mt. Vernon Church in June 2019. She looked beautiful and was as sweet and gracious as she always was. Since I moved away from Fairburn when I was very young, I didn't get to see her very much, but she always remembered me and had something sweet to say to me. She will be missed.*
