“ *I am so sorry for your loss. Pam and I have been friends since high school and we shared a lot of great times together. We ran around together, got in trouble together, were majorettes together, and after graduation, we worked together. Once we were both married, we shared our family stories together. We could go months without talking, and then pick right up where we left off and not miss a beat. I've lost a very dear friend and your family has lost a great mother, grandmother, daughter and sister. We all know Pam is in a better place now, and her pain is no more, but that doesn't make it any easier for those she has left behind. God has a plan for each of us and sometimes as we pray for healing, our prayers are answered by our loved ones going home to our heavenly Father. I'm thankful for the friendship that we shared and she will be missed more than words can express. Please know that your family has been and will continue to be in my prayers. With sympathy and love,
Angel Jones*
