“ Mrs. Jacks was one of the first people I met while teaching at Westlake High. Each time I'd visit her office in the "old" Westlake she'd have stacks of money surrounding her, answering questions from visitors, counting more money, fussing about the phone ringing and extending her hand to receive my money deposits! It was always a joy to see her as her door was truly always open. I remember she'd give away the baby birds in which my children loved having as pets and her adorable grand daughter would come and just hang out in her office all day! She'll be missed by so many as she touched many, many lives. Rest in Paradise, Mrs. Pat!!!

“ My heart is heavy learning of the news. I have many fond memories of Pat telling me of stories of her beautiful grand children and the funny holiday stories of her daughter. Her infectious laugh always brought a smile to my face and her "mama voice" always reminds me to be my best at all times. Thank you for sharing her with us here at Westlake high School. ~Rae Ransom Coleman (Dance teacher)

Pat Jacks and I worked with the athletic budget for many years at Westlake High School. She always looked forward to getting her new athletic shirt each season. We had many conversations about her lovely grandchildren! She will be missed!

*Pat was a neighbor of mine on old 138. I hadn't seen her in many years and she had always been real nice person and friendly to me, and knew her mom and Dad , and we went to funeral home when Ms. Campbell passed away, I also remember Larry in high school.. God bless the campbell family during the this sad time.*

*I started working with Mrs. Jacks at Westlake in summer 2010. She was so proud of her family. She always talked about her grandchildren, daughter and husband. I never got a chance to see Mrs. Jacks after retirement. I missed her stories and brutal honesty (she made me crack up everyday!) Rest In Peace Mrs. Jacks. You will be missed.*
