“ My sincere sympathy to you, Autumn and Brannon. I loved your mom. Your mom loved teaching God's word to her students and was excellent at relating the Bible stories. I was privileged to work with her for many, many years and my life was enriched to have known her. She loved you and spoke of you often and we enjoyed sharing our family stories. I know you will miss her and I pray God's comfort for you.

Hi I just now see that your mom had passed several years ago.I think of her often and found two letters today (1/12/25),that she sent to me in 2000.I had just mentioned her yesterday when kids were playing in the snow ,how she wrote me a letter saying she was sad that my daughter,her 5 year old student ,missed it because we were in Florida.I was glad to tell her that we were the only house on my street that had snow in the front yard and my daughter got to make a small snowman.It also snowed a little in Florida.I was her room parent that year and helped her many times after that before she retired.I wanted to let her know that my daughter is a kindergarten teacher and we mention Mrs. Turner many times.She is still remembered and I am praying for your family.She talked about her children all the time.  
*Sincerely,Sabrina Byrd and family*

“*Mrs. Turner was my first grade teacher. I have very fond memories of her. She remained a dear friend of my mother and came to visit us when my grandmother passed away. I am so sorry for your loss, Autumn and Brannon. She was a sweet woman and was always close to our hearts. ♡*--Robert Palsgaard-Anglin
