“ Patti and I lived on the same street in College Park, attended Newton Estates Elementary from childhood, walked around College Park knocking on doors and asking for donations toward the founding of Christian City, and spent our high school years at CP High. I never once saw anything but kindness, gentleness and a loving heart from Patti. Patti was (I think) the eldest of eight children, and she showered the younger ones with her patient, nurturing self...even when they were exasperating. God must have been eager for another of his angels to come home. -Ginger Croley Blackstone

I remember that the day they were having this picture done I had to work. I picked out the dress and Meghan's Daddy, Terrell, got her to the spot they had chosen for this amazing generational photo!! So happy that they got this taken! Patti, Daddy Bob, Terrell, Grandmother and Meghan (5 generations of Pucketts!)

“ I sat next to Patti in the sixth grade at Newton Estates Elementary School. She was the sweetest friend, very soft spoken, and funny. I have a picture with her from a high school reunion a few years ago. God must have needed more angels in heaven when he called her home. Prayers for the family of dear Patti. I know she will be greatly missed.

“ The Picketts lived on Oglethorpe east of Conley and the Zupps lived on Oglethorpe on the Western side of Conley. Patti and I played in the creek on her end of Oglethorpe often in the late 1950's. We moved, they moved and we reconnected 50 years later on Facebook and then at La Hacienda. Always smiling, always a kind words and a birthday wish for everyone. Prayers for comfort and wonderful memories for her family and friends. We will meet again, Patti. Godspeed.

“ I met Patti for the first time on Christian City Party Committee years ago. That is how I found out about her parents starting Christian City and how her family cleared the land by hand in the beginning. She was a joy to know.

“ *Boy could Patti make me laugh! It has been 10 years since I left Delta but think of her fondly still. When we Project Managers were new to the Environmental Services Team Patti would give us just the right guidance and nudges to help us succeed. She loved her family and community wholeheartedly. A star shines brightly in the heavens for her today. Hugs and love English family.*

“ One of the most genuinely sweetest persons I've ever known! We shared several years of carpooling to/from Delta and I was blessed to have gotten to know her so much better during those drives. She loved her family (especially her grandchildren) and Delta and was a wonderful Christian woman. So sad to learn this news. Prayers for her family.

I knew Patti in the 1960s as we were graduating from High School. It is obvious from all of the warm messages here she is well loved. I dated her sister Vicki (Victoria) and have recently learned she too has passed away. If anyone can share details of her death with me it would be appreciated. vincejackson529@att.net.
