“ *To Jerry and Ellen: I was deeply saddened to learn that Terry had passed away. I always thought that I would see him again. It's weird how things happen sometimes—Haywood County, NC (where I live) has Deputy Sheriff Eric Batchelor. I couldn't recall your oldest son's name, so I googled Jerry Batchelor. Then I saw the obituary for Terry (Paul) and I was shocked. I also saw his posts on LinkedIn. It sounds like he had a very productive life that was cut way too short. Please extend my condolences to his wife and children. He will be greatly missed by all who knew him. (pat.perry99@gmail.com)*

“ I am beyond sad. I met Paul when he came to work where I worked. Last year he came to my house a couple days a week to work with my special needs son. He was probably the nicest, kindest, man I ever met. He had so much patience and my then 5 year old adored him. He would make special materials to help my son. I am heartbroken. I was just going to send him a picture that my son had finally learned to write his name.

“ Paul was such a great mentor to so many
special needs students in Fayette County. I
worked with Paul many years through Special
Olympics and found his expertise in the field
of Special Education valuable and gifted as
he shared with others. Please know your family is in my thoughts
and prayers.

Paul was a special “one of a kind” person. He had such a huge heart for special needs children. The kids could feel his genuine love for them. He’ll be missed deeply by all who new him. God bless you Paul, gone to soon 😞

I remember Terry (Paul) and Jerry Batchelor well. My sons, Victor and Chris White, grew up with them in Lucile, Georgia. Wonderful memories of good times they shared. They loved hunting arrowheads. Their father, Bruce, had a little country store in the community. Paul and Jerry were about 4 years older than my oldest son, but the age difference was no problem to them. So sorry to hear of Paul's passing. Praying for God's peace and comfort for all of you. Would appreciate contact information for Jerry if you could. Myra and Hoyle White,

PS: we are still at the same location and phone number.

“ Paul was an amazing man and gave so much of his time and energy to helping families and their children. He thought outside of the box and because of that had so many breakthroughs with so many kids. I had the pleasure of teaching the Exceptional Ops summer program with Paul for many years. He will be missed by many of us. Prayers of comfort for his family.

Mr. Batchelor had a heart of gold for the children at Sandy Creek High School. He was a great example for them and cared for all.

Paul was instrumental in the educational and social successes of my son Christopher while at Fayette Middle and then later at Sandy Creek HS. A strong advocate for persons with disabilities, Paul never let the 'system' or bureaucrats tell him something couldn't be done. Sometimes unorthodox, Paul was a true shaker and mover to enrich the lives of his students and others with disabilities. He will be greatly missed!

I worked with Paul at FMS at the turn of the century. He was a great guy and a wonderful teacher/advocate. I'm so sorry to hear that he has passed. Prayers to the family.

Paul had the ability to reach the unreachable students. He had high expectations for people with special needs. Paul believed that everyone had talents and abilities, and he brought them out in our "kids." I had the pleasure of working with him professionally while he was teaching in Fayette County Schools and personally when he started working at my son's day program Adults in Action. Paul will be deeply missed in so many places in the special needs community. Prayers for the comfort and peace for his family and all who knew and worked with him.
