My prayers are with you Kim and your family. May GOD comfort you and feel your heart with HIS Blessings. What kind words which were said about Paul. We all should hope that could be true of us. Paul was a good person and it wonderful that he left such great thumb prints on the lives he came into contact with. He will have lots of stars in his crown. I wish these words could help you but I know your heart is broken, I will continue to pray for you Love ,Judy Thornburg.

What an awesome " Celebration of Life " and he was just as wonderful as everyone's words .When Kimi was born she my little Princess and I always thought she deserved her Prince, and as she up I still held that dream for her , while she was out living life. And then the day came that I met Paul and I knew her Prince had arrived .And truly had. Paul was what I believe God meant when he created man. Thank you Paul for loving my Kimi so completely so she could love you the same in return. Although it was cut short here on earth we all know the real ending. I was so proud to call you family. Love more than anyone can imagine, Aunt Kathy
