It is unbelievable for me Cz I have seen him always full of life and energy playing with his little sis the word of sorry is no compensation for the the loss but we have no choice of our own just a submission before the will of God.The child will never fade away from my mind.God bless u guys with more patience.This video is remarkable

“ *The first time I met this sweet little angel I had to wrap my arms around him. He sweetly let me hold him in my lap while we played with aqua beads at a friends home. His sweet momma thanked me for my kindness to her son, but I was that one that needed to thank her for sharing this amazing little soul with me. Those that experience the greatest joy in times of life, experience that greatest sadness in times of death. I wrap my arm around all who have lost this angel.*
