“ I met Peggy when I became a member of the Canongate Ladies Golf group.
She was so welcoming and gracious to me. I enjoyed the times when we rode together in the golf carts. She was truly a southern classy lady!
Thank you for allowing me to attend her graveside service on line today. It was a very loving tribute to her.
You all have my sympathy for your loss.

“ Grandmama Casey was A Southern Gem! A True Patriarch of the Casey Family. I am Honored that I got to know She and BoomPa. They helped to make my life and a little Better and Sweeter for who they were. I enjoyed many gatherings at Don and Jody's home with them. I got to visit and enjoy their Lake House at Lake Lanier, many times. They were Always So Sweet and Kind. Thank You Both for some of My Fondest Memories. So Thankful for Our Friendship. To Don, His Sisters and the Rest of the "CASEY CLAN", My Heart is Breaking for You All, while I know Grandmama is with BoomPa and dancing with the Angels and sitting at Our Saviors Feet. My Love and Prayers to You All! 🙏🙏🙏

“ From the time Peggy and I first met as Cub Scout Den Mothers, I have felt a close bond with her. I thank God for her friendship through the years. We have cried together; but most of the time, we laughed together. I'll always miss her, but know she is with the Lord and with Jake. Peace and blessings to the family and love to Peggy.

“ Ms. Peggy was such a Special Lady. She was always ready with a Smile. She and Mr. Jake treated our kids like they were their own family and we will never forget them. There will be an emptiness as we walk out our door and not have the ability to say hello to her. She will surely be missed. Our prayers for her and the family, however she is surely in a better place. Our love to this family.
