“ I met Peggy, Gene, and their family many years ago when my friend Lageita started renting the house next to them.

Lageita hit gold when it came to having them as neighbors. From the minute I met them, they treated me as family. That's the way they treated everyone.

Mrs. Peggy so sweet and quiet, she always made sure you had a drink in your hand, a place to sit and a full tummy, Though if you were to get out of line well she had no problem putting you in your place and there was no question of how you were to conduct yourself at their house. She was kind, loving, thoughtful, respectful and she expected that of anyone who visited them, and that she should.

It was my honor to get to know Mrs. Peggy and the whole Roberts family. I lost touch with them for many years after Lageita moved away but went back just last year to visit and it was just like I remembered; I was treated like family.

My thoughts and prayers are with all hurting from the loss of such a special woman.

Thoughts of Mrs. Peggy will forever make me smile. Peace, Prayers and Hugs to all.

“Peggy, my beautiful precious friend when the horizon of yesterday's world faded away & you took that magnificent flight.
If only your love ones could have witnessed that Glorious moment when the Angels loosed your Silver Cord & set you Spirit free.
To witness the Father receiving you into His loving arms.
How all of Heaven Rejoiced at your Homecoming.
Oh, how blessed we are to rest assured you are more alive than ever, on the promises of our Lord Jesus Christ.
Until we meet again my beloved friend .
I pray, Lord Jesus, bind Peggy's love ones hearts together in unity, as they navigate this difficult time of loss & grief anchored in the hope that in Your kingdom, every tear will be wiped away, and every sorrow turned to joy.
In the name above all names Jesus Christ our Lord & Savior I pray.
