“ My condolences to the Whitley Family. I can remember you mom sitting under the car port the times I would come by to see the twins to either go fishing while playing baseball. She was always Very Kind and a Joy to talk with. I know that she will be missed.

“ Although I personally did not know Mrs. Whitley, my parents (Joe and Jane Eidson) did. I will miss seeing her working in her yard constantly, keeping it beautiful and full of flowers. My Mother always wanted me to see all she had done in the back as well. I always admired her dedication to her yard. I can only imagine she was as lovely as her yard.
