As we laid our friend/UPS co-worker to rest Penny will be missed. I will miss our talks on the phone, our lunches, our trips, and I will see her again in Heaven! R.I.P. my sweet long time friend.

“ My Auntie Penelope words cannot describe the heartache  I feel today. You were a true inspiration and blessing to us all and I wish we would've had more time together. Sorry I didn't visit more. Thank you for showing me Georgia when I was younger and making me feel a part of our family that I always felt a outsider of. My dad told me you were always the 3rd wheel with him and my mother Pauline your sister may she RIH)   on your fun nights painting the town. Thank you for loving me and telling me a few weeks ago Happy Birthday Nita Bug. And thank you for all the stories about my momma Pauline as you knew her best. I love you Auntie     and you will be truly missed always and forever.

“ Penny and the entire Smith family have been our family and has remained that throughout life. Our mother's were friends and there are too many rich memories for us to speak about, but a whole lot of love that the years can never erase. We truly share in her loss.
