“ Abby,

Brad and I want you to know how truly sorry we are for what has happened and the pain you are going through right now. We wish so much that it was possible for us to be there and tell you in person instead of doing it long distance. We have great memories of Pete and the old gang in Georgia and all the Christmas parties. We had some great times never to be forgotten. I am so glad that you have your family around you. Please know that you are also in the hearts of your friends always. We love you...

“ My heart is just broken for you all. I know that I can not begin to fathom how you must be grieving. I wanted to share a memory of Pete. Pete was always ready and willing to help anyone, anytime. On one occasion, he was there for me in a BIG way. Tim was out of town and one of his BIG bulls got out and was very close to going onto Cedar Grove Rd. I was out there trying to figure out what in the world to do. The fence was torn up and the bull didn't look too friendly. Thankfully Pete saw me. I didn't see him and therefore it would have been real easy for him to just keep on driving by. That is not in his nature. If he can help, he will help. Bottom line is that he got the bull back in where he belonged and fixed the fence. It was kind of funny, animal control showed up and the guy didn't even get out of his van. He was just like me, he didn't have a clue as to what to do and he was scared. Pete was totally embarrassed every time I told him thank you. I bet that none of you even know about this because he's just that kind of guy. He didn't toot his own horn. For those of you who attend Bethlehem Baptist Church and are reading this, take a look at how nice the pastorium yard looks. Pete did that sometime within the past 2 weeks. Did he want any special recognition? NO. I only know because someone told me he did it. I know there's so many other stories about Pete and how he was helpful and looked out for others. He was a very special man with a great big heart.

“ Dear Elsie & Family,

I was so saddened to hear of your loss, I know there are no words that anyone can say right now to help you heal, I don't really believe that we ever really heal we just learn to live without our loved ones and keep their memories close, in time I hope you all find peace and remember the love that was always shared among you. You are in my thoughts and prayers.

“ Abby and family,

I am so sorry for your loss! As you all already have experienced, words will never take away your pain and only time will help you learn to manage it. The love you feel for Pete will only grow as time passes and that emptiness will be filled, once again, with happy memories! You are strong and have strong faith and I know you have such a strong support system amongst each other.

It was so good to talk to you this morning, Abby! I wish I were closer and could be there for you! I have lots of good memories of Pete from our Fabwel days! All the fun times we had at the company Christmas parties and just hanging out at your house together! He was one of a kind and he will be missed by many! I can still hear his voice, that raspy, deep voice, arguing with me about anything and everything, just to argue with me! I love you and am praying for all of you!

“ Oh dear brother, how you were loved. I know you are with some of your favorites right now. I love you dearly and I know you love me back just as much. We had our ups and downs as I am sure all brother and sisters do, but we would never know our ups if we did not have our downs. I will miss you more than any words can say. I will love and cherish your family. Abby, Morgan, Nick, Mom, Dad, Cheyenne, Taylor and Christopher I love you all.
