“ I know we are late sending our sympathies, had tried earlier to send a memory or two but failed to negotiate that darn dot com as Pete would say. He was our good friend, met in 7th grade and traveled thru school until we graduated. We loved him dearly even though it has been many years since we saw him. I am sure he was a great Father, grandfather and great/grandfather. Rest in Peace, Pete, until we see you again.

“ Fond memories of many hours spent at the Janda home as a kid. As the only girl in our neighborhood, all the boys were always great to let me tag along. Pete and Kate were great friends to Mama and Daddy. Prayers of peace and comfort to Peter and Kevin and their families.

“ My favorite memory of Grandpa and I would have to be the MANY times we sat on the front porch and talked about life. We always talked about ways I could better myself and we just TALKED in general. He gave the best advice and always told me no matter what happened I was always loved. We also loved to sit on the front porch and talk about the weather and about his flowers in his yard. I think my absolute favorite part of Grandpa was how big his eyes got when ever we talked about Sandra Bullock, Camren Diaz, and Danika Patrick. Those were his women. He was such a flirt too. He never met a stranger and was loved by everyone. I love you grandpa and I'm so glad I can call you my grandpa. Have fun reuniting with Grandma. You deserve it. Thank you for 26 years of pure love and joy. May you rest in peace.
