“*Lavonne and Jim, I was so sorry to learn of Phyllis's death. I never knew her that well, but she went to high school with my brother, William Shaw, who always thought a lot of her. I am in Florida spending Christmas with my daughter and her family, so I will not be able to attend the funeral. God bless you and your family, Seleta London*

“ Dear Lavonne and David,
Phyllis was a wonderful part of my childhood and school days. I remember well spending the night at your home many times, and Phyllis spending the night with our family.
She always kept in touch with me over the years since school, and kept me up to date with family and friends.
She always kept her childhood faith, and many are the memories of Vacation Bible School at Ramah Baptist Church in Palmetto.
I know she was welcomed at Heaven's gates by your mom and dad.
Please know that the 12 of us that went from 1 - 12th grades will always remember her and recall the laughter and good times we shared as children and young adults. She will always be a part of our memories and stories that we tell our children and grandchildren about growing up.

My thoughts and prayers are with you and your families at this time. I am sorry I will not be able to attend the funeral services, but my heart will be with you.

And someday, Phyllis will be there to welcome us into God's kingdom with her smile and sunny spirit.

*Much love and prayers,

“ Dear Lavonne and David,
Nancy and I are so very sorry for your loss. Phyllis was such a dear, sweet person. Every time we saw her she was always upbeat and glad to see us.

All through my childhood, I was glad to call Phyllis my friend and classmate.

Please remember that the grief we feel is price we pay for the love that we had for her. Phyllis was truly a loving person even through all her circumstances.

When Phyllis stepped into eternity and into the arms of Jesus, she was perfect in every way.

We love you and will be lifting you and your families up during this time in your lives.

Sincerely,
Lynn and Nancy Bradley
