“ *What a loss of a truly fine gentleman. Stanley hired me as the first Personnel Director at Polk County, and through good times and challenging times his amazing support and wisdom were a great gift to me and many others who worked with him and alongside him. Stanley was a true public servant and was so very dedicated to that mission. His humor and wonderful relationships with people were icing the cake. My condolences to his family. Stanley was one of a kind and I wish there were more like him.*

“ Kay, I am sorry for your loss. I had no idea Stanley was your father. He was quite a gent. I had many sit down talks with Stanley at the Cumberland extended Care, when I would visit my father-inlaw. After my father inlaw passed Jo Ann and I would stop and see Stanley. He was a nice man and we will miss him also. He had told me he was waiting for the 100 yr Celebration of the farm being in the family. I am sure he will be there in Spirit.
