“ We've been friends for over 60 years! Spent many hours with Randall going deer hunting, hanging out at our Deer Camp, going fishing, and just enjoying what ever activity was happening around Palmetto! I'm gonna miss you my brother, but we will meet again one day!

“ I met Randall in high school he was always laid back and easy going, over the years I have gotten to know him better and realized he had his own way of doing things. He was happy with his life and that in its self is rare. I'll miss our talks his sling shots that he made and all the little things.
