“ It is a sad day at Delta as we have to say Good Bye to one of our colleagues, dear friends and longtime members of our family. Randy bestowed happiness and positive energy on so many folks over the course of his 36 year career. Randy's been a great team member at Delta through the years always keeping his chin up, greeting everyone with a smile on his face and a great attitude that was infectious to all around him. I will always cherish the times I have been blessed to spend in Randys presence both at work and away, I am proud to have worked alongside Randy and even more proud to call him friend. Hitem long and straight in heaven my friend.

“ Dear Family,

May Jehovah God comfort you during this time of loss. Though there may be little that can be said or done to ease your pain, may you find comfort in knowing that many care and sympathize with your sadness. Always know that Jehovah God is with you to strengthen and guide you. May your trust in his promise of a resurrection bring you peace. – Acts 24:15
