“ Deepest sympathy to the Hannah family. It was an honor, for my late husband, Harry Rivers, to come back to his roots, in Fairburn, to build the beautiful Hannah home.

“ So sorry I am not in town for this service. Marian will be there. Mr Hannah was a stalwart presence in Fairburn and our neighborhood! Always there as a solid caring leader. Loved and respected by many, including myself and our entire family. I'm still shocked that he won't be at church and "around" -- He was loved and will be missed! Julie (Julia) Johnson Blake

“ *We are so indebted to Ray for the work he started and put in for the Nature Center. A second generation is now bringing their children because they came there as children themselves to enjoy what Ray and others began. We look forward to maintaining the work and legacy of teaching children about the wonders of nature which was the dream Ray and others had. We are following the clear path he left and pray that we can honor him by the work we do. - Chip Denton Pres. Board, Bear Creek Nature Center*
