“ I was shocked to hear of Ray's passing. Just found out yesterday. Like the other Delta guys, I always enjoyed working with Ray. Yup, he loved practical jokes, fishing, music, and most of all...his Family. Always talking about the grand kids. When he used to come by the house he would always bring some candy to my daughter. Lori always liked "Mr. Ray" to come visit. Wow, what a huge loss for his family and friends....

“ One of my favorite memories is of watching him run around the bases while playing softball with Flat Creek. He endured me calling him "Spunky" with a smile & twinkle in his eyes. What great memories!

“ For many years at Delta, I looked forward to seeing Ray's smile and hearing his stories and adventures. He had a love for his family and others around him that will be missed. Ray could fix and weld anything and was a true Craftsman. My thoughts and prayers are with you.

“ Genuinely a good man to the core. He left this world way too soon as it could use a few more like him. You are in a better place and I'm sure you are wearing your Braves cap, looking down on everyone, and grinning in the way only you could. You will be missed and will see you on the other side.
