“ *I am just seeing this notice but wanted Ray's wife to know what a dear friend Ray was to me while working at EPA. We enjoyed our work and had many laughs. He loved his family and was very dedicated to his faith. I hope you are doing well and would love hearing from you if possible. Call me if possible at 404-401-6204. Best regards, Charlotte Hudgins*

“ *Barbara Howard Cozart and I grew up together on 5th street. We were best friends since the age of 3. Barbara and Ray introduced me to my late husband, Robbie who was Ray's cousin. Barbara, Ray, Robbie and I have shared so many wonderful years of friendship. Ray was truly a wonderful man who inspired others by his Christian example. He will be truly missed by all. My thoughts and prayers are with Barbara, Sandra and the rest of the family.*
Love you always,

My husband (Paul) and I met Barbara and Ray at Shamrocks Kitchen. I knew the first time I met them they were special. Looking out for each other, enjoying each other, joining in on the football hackeling.... love was with them. The most powerful emotion of all... a true gift. I always missed them when they were not there and that's when I learned of Ray's sickness. He is sick no more and has been made whole again. Prayers for the grief that Barbara and their family will go thru but truly that too is a sign of love. We will miss you Ray but I'm so glad I met you and enjoyed while I could. Blessings to all.
