I am blessed to have such a kind, patient, and loving person touch my life. Becky's relentless giving spirit touched countless lives; a dear sister in Christ will be missed greatly. Saddened that I will not be in attendance to celebrate her life, I pray Lee that you find peace and strength in your memories and in those that so many will be sharing as we count our times of joy reflected in her smiles and humor. My prayers and thoughts are with you and all of the family.
