“ To Becky's family & other loved ones: Please accept my sincere condolences on the lose of Becky. It's been so many years since Becky and I have seen our paths cross, yet I always will remember spending hours at the College Park First Baptist Church with her. We were together in Sunday School, Training Union, Girls Auxiliary and other activities at that wonderful time of our lives. We all were so innocent, so protected from the harsh realities of life. I hope that Becky was blessed with a wonderful and fulfilling time through the years. She will always be in my memory, as well, and most especially I will remember her dark brown eyes!
