

## Remi Cruz Miller

June 13, 2018 - November 27, 2024

With hearts full of love and treasured memories, we celebrate the life of Remi Cruz Miller, a vibrant and spirited young girl who touched all who knew her. Born on June 13, 2018, and taken from us far too soon on November 27, 2024, Remi brought six years of joy, laughter, and inspiration to her family and friends.

Remi was everything perfect and great. Remi was a princess warrior at heart, whose strength and grace were evident in every step she took. Her passion for living life with enthusiasm was contagious, shining brightly as she danced her way through each day. As a lover of school, Remi embraced learning with an open heart and mind, recently embarking on her kindergarten journey, which she adored.

She carried a deep love for Jesus, reflecting a gentle and caring spirit that was felt by everyone around her. Remi's beauty, both inside and out, was undeniable, radiating warmth and kindness wherever she went. She cherished time spent with her family, who were the center of her world, and her sister Jet was her best friend.

Remi's memory lives on in the hearts of her loving family: her devoted mother, Tiffany Landrum, and father, Chad Miller (Isabel). She leaves behind her adoring grandparents, Tammy Landrum, Anthony Landrum and Debbie Miller

(Ron), and her sisters, Jet Miller, Kinedy Miller. Her brothers, Bentley McKinzie, and Rev Miller will forever hold her close in their hearts. She is also survived by her step siblings, Sophia Hurtado and Christian Hurtado

A cherished niece and cousin, Remi is also survived by her uncles Jonathan Landrum (Tabetha), Brandon Miller (Chrissy), and Kelly Miller (Brittany), her aunt Lynsey Brown (Kevin), and several beloved cousins.

Though her time with us was brief, Remi Cruz Miller's light continues to shine brightly, inspiring those who knew her to live fully and love deeply. Her spirit will forever dance among us, a beautiful reminder of the joy and love she brought to the world.

SA

“ *Remi I can't even tell you how much I miss you. You were so sweet and had the biggest heart. I will never forget your never-ending laugh. You brought joy ever where you went. I was so sad when you died you took a piece of my heart. I love you sweet girl. We will have that sleepover again one day and sing Taylor Swift just like you said. ~Your cousin Saylor*
