“ *The MB Guy, Jr family has many fond memories of Queon and his family and their time in Manchester. Daddy (MB) is 98 years old now & I haven't told him about Queon as I just don't like to give him sad news and he would be deeply saddened to learn of his friend, Queon's, passing. He always thought so highly of Queon and considered him a true friend and all of our family felt the same. Our love, thoughts and prayers are with each of your family members as you adjust to life without such a special man. We thank GOD for our beautiful memories. Love, Vicky Guy Olivent*

“ *I was a teenager when Queon served as associate pastor at First UMC in LaGrange. I will never forget his prayers during morning worship. It was obvious he was talking w/ his loving heavenly Father, with petitions on our behalf as a congregation and always full of thanksgiving and assurance. Lasting impression, part of my faith journey. I will ever be grateful for his simple witness through prayer.*

“ *Lisa, I will always remember your father as sweet and kind and always smiling. No matter how bad we were, he would always get on to us in a kind and sensible way, explaining what we did wrong and what we needed to do to get back in his good graces. We really should have paid more attention to him and not been so bad as kids. I know he was very proud of you. Love you.*

“ There is not one person whose influence in my life mattered more, who loved without judgment and gave to me wholeheartedly as he did with everyone he met. You will be missed.

“ There are not words enough to express my condolences for your loss. Queon was always a part of all those memorable moments - weddings and reunions (and funerals)
He is now sharing in that meal he would talk about at the table of Jesus -
That will not make up for the hurt you are feeling. I have heard that grief never leaves because love never leaves.

Love all of you my sweet aunt Jackie and cousins Lisa and Tim

“ Thinking of you, Jackie, and remembering Queon's service at LaFayette First United Methodist. He officiated at the marriage of our daughter and we always enjoyed his sermons. He was a good man and messenger for God. He will be missed. Our prayers are with you and your family.

“ We have only known you and Jackie since November 16, 2017 and both of you were a source of help and all the while possessing the sweet attitude and kindness we saw and loved in you. We are going to miss Queon and have been praying for you since Queon became ill. Our time with him was much too short and we know we will see him again. We do not meet a person like Queon and not have a soft spot in our hearts. Jackie, we pray that God will continue to use you in HIS service wherever you are. We do look forward to time with you. You are a fine Christian example and you have made me glad! Robert and I love you and are willing to do whatever we can for you and your family.

“ Love and prayers to all of you
I have a lot of good memories meeting him for the first time in our
yard, in Dry Pond.
Hearing him proposing to Jackie in the chapel at Glisson camp
being in Jackie and his wedding and two years later marrying me
, that was a big joke we liked to tell. .
We had a lot of good times as well as a lot of sad times loved being
his sister-in-law for 62 years.
See you in heaven .Queon P Smith

Queon was my very good friend at Young Harris College. Though our
paths have not crossed since graduation, I've kept up with his
appointments and ministry through the North Georgia Conference
website, and know how much he was loved and what a great ministry
he had. My heartfelt love, prayers and sympathy to his family. Jean
