“ A great man has gone to be with the Lord. He will be deeply missed and there will always be a spot in my heart for him. I love the example that he set for me as a man and pray that I will one day be half the man he was.

“ On the occasion that I got to spend time with the family (as a little girl), I remember your smile and your efforts to make things fun for all of us kids. You were loved and cherished by your family, but I remember you too.

Much love,
