“ My dear friend Rey, you will truly be missed and in my heart forever. You are the meaning of a true friend. You have always been there for me. I thank God that he placed you in my life because you truly taught me a lot! Your family is great just like you and I am heartbroken that I will not see your smile and hear your jokes. I know that you are in a better place with the dear Lord. May you rest in peace. Peter definitely missed your pork! We love you.
