“ *To the Family: We are from Winston Salem and both remember “ Dickie “ from living in Southside. My wife was Jo Ann Garner, she grew up over off of Old Lexington Road. I grew up on Edwards Street behind South Park Elementary School. Although neither of us knew Dickie well, we remember him being a friendly, good kid. Our condolences to all of you.

“ Saw Dickies obit in the Winston Salem Journal. Dickie and I went to elementary school together at Central which was located in Old Salem back in the day. We played a lot of sports together during that time. Lost contact after Elementary school as we all went in different directions. I do remember Dickie being a left handed person. I never left Winston but now live in the Clemmons area. My name is Jack Boles ( Boles Painting). So sorry to hear of his passing and my thoughts and prayers are with his family.

“ Just a few weeks ago, Debbie and Richard came to visit my son and I immediately after our first visit to Northside Baptist Church. It was just a few days after our very pleasant visit that Richard became ill. I am so very sorry Debbie and family. I'll be making a donation to NBC Upwards in Richard's memory. I recall him trying to recruit my son to play soccer. Thank you for making such a difference in my life. That visit made me want to come back and be a part of the NBC family. Such an important ministry. Praying God's comfort Debbie in this difficult time. If I can be of any service, please let me know.

“ I am so sorry to hear of Richard's passing! He was not just a friend but a part of our family. My favorite times with him were when we would go to the races together with my mom and dad! I also remember him sitting in the bed watching TV and eating peanuts and sharing them with one of the dogs(I think her name was Chewy). He was a great man! I am very honored to have known him and to share memories! We will be praying for you all! ~Micheal and Brandi Cash

*Mrs. Dunnegan,*

*We are so sorry for your loss. Though we didn't know Mr. Dunnegan well, he would often share a kind wave as we passed your house. Occasionally when we were out walking he would call his dog back as the dog protected his territory. From those short encounters it was very evident that he loved his dog. From time to time we would share a few words with him. Just today we learned of his death, and we are so sad for you, your family and your sister. May God comfort you as only he can, today and during the days ahead. You will be in our thoughts and prayers.*
