“ We are so saddened to hear of the passing of Mr. Richard. He built our home in Lake Redwine in early 2013 and he truly was one of the kindest people on this planet. He talked so fondly of his family, sons and when he was so excited about the birth of his grandchildren. I could tell he loved all of you dearly. His eyes reminded me of my Dad’s eyes (also passed) they both had the brightest blue eyes I’ve ever seen. We just saw Richard at Brooks Elementary School from across the lunchroom when he came to have lunch with one of the grandchildren, but by the time we were done eating and looked for him, we couldn’t find him. I am now more sad than ever that I didn’t get a hug around the neck. We absolutely love our home and we were blessed to have Richard build it. I’ve always told everyone who knows me that we got so lucky with Richard because he does such quality work. At the time of building, our son was not quite 3 years old yet and whenever we would come visit the house, Richard would ask if we were bringing our son Banks, and he would sweep any loose nails out-of-the-way so that he wouldn’t step on them. My husband used to stand around with him and talk forever, he loved talking to him. Even after the building process and closing, whenever we had a question about something in the house, Richard was always super fast to get back to us and chat and catch up. He will be greatly missed. I am so incredibly sorry for your families loss. I will be praying for all of you during this difficult time. Our family, who has been so blessed by Richard, sends your family so much love.

Sincerely,

“ Lee and I are so saddened to hear about Richard. We had the pleasure of getting to know him when he built our home 5 years ago. We checked on him frequently and actually saw him and talked to him on Monday. He was smiling and chatting about building a house near us. He will be greatly missed. “ *Jeff and Melissa LaChapelle*

My wife and I were so saddened to hear of Richard's passing today. We talked less than a week ago about a flooring contractor .recommendation . We purchased one of Richard's homes at 29 Marina Dr. in Lake Redwine in 2014. It was the house of our dreams . We cultivated a relationship over the years. He was always there for us and at times he would call me for help. He was like a father figure to us. He was the most honest, kindest and caring person I ever met. We always took pride in telling people that Richard Perry built our home. We will miss him dearly. I will also miss drinking a couple of Bud Lights on the tailgate of his truck on Friday after work. Our thoughts and prayers are with your family. Love ya Richard

“ *Mr. Richard built our house in the middle of the pandemic and was so helpful and hands-on. If something needed to be done, he would do it himself, even if we would yell at him not to! We loved sitting and talking with him about the big things in life, but also the smaller, funny things in life. Mr. Richard had his opinions and didn't sugar coat anything, which we loved about him.*

Every single time...100% of the time...if we saw him in our neighborhood, he would wave, and if we stopped, he would take the time to talk to us and catch up on life. We passed his truck three times yesterday and he smiled and waved all three times, as if it was the first time he saw us all day. Our prayers are with his family and loved ones. If he made such an impression on us over two years, we can only imagine the pain you are feeling. Mr. Richard was a kind, beautiful soul, and his presence, smile, and stories will be greatly missed.
