“ Dear Ursula, Tiffany, Ricky:

Since we moved from Chatt Hills a year ago, when we speak of what we miss, Casablanca and the smiles of your lovely family are always on the list.

We thank God for all the ways Rick's goodness and kindness blessed us (for 8 years) and the earth. "Let us not look for him only in memory, where we would grow lonely without him. He would want us to find him in presence, beside us when beauty brightens, when kindness glows, and music echoes eternal tones. ...May he continue to inspire us to enter each day with a generous heart, to serve the call of courage and love."

“ *My thoughts and prayers go out to the Hilley Family. I have fond memories Ricky from Fairfax High School and it was always so nice to see how well he had done in his life. He had a thriving business, beautiful wife and loving children. Words cannot express my sympathy over your loss. In lieu of flowers, a donation has been made to the Ricky Hilley Memorial Fund in honor of his memory and life's work.*

“ *My heart is still just broken. My words are limited but my heart is full of so many amazing memories when it comes to Rick. A smile that would light up a room and fill it with love. Love...that is what you felt when you say Rick Acceptance...you always knew you were accepted by Rick. No matter what was going on in your life he made you feel worthy and that you matter. Encourager...Rick always had words of wisdom to push you to be better. Sometimes even talked you into it when it was the last thing you wanted to do. Yet deep down you knew it was the right thing to do. Rick touched so many people in so many different ways. He was an angel among us and God needed him back. I am grateful for the opportunity to call him friend and he will always be a treasured in hearts of thousands. To the family - we stand strong with you during this time of grief and adjustment. Our hands are here to hug, love and hold you up until you can get some sort of footing under you. Take your time because we know you will be back stronger than ever.*

“ Met Ricky and Ursula back at Green Manor!! My best friend worked with them so saw them often. Her wedding was at the Manor so of course Rick was bartender, a wedding I will never forget. Continued to eat with them at Fairburn Casa Blanca then after the fire I was delighted that they moved to Palmetto. My son who is a cook worked for them off and on. When he went thru his bad times and had no where to live Rick and Ursula always made sure he had a good meal when he was down and out and for that I can never repay their generosity but that is how hiw Rick was always helping in the community!! Rick will definitely be missed ! Ursula,Ricky and Tiffany yall are in my prayers. May God wrap his arms around yall and help during this difficult time!

“ The Houston family would like to send their condolences and prayers to Ursula and the family. We had the pleasure of meeting and getting to know the family, working with them for 3 years in the care of Ricky’s mother. Ricky and his family were special people, seeing to the care of their mom, while sharing their gift of cooking with the community! Many say that a way to a man’s heart is through his stomach, good food! Well, Ricky certainly touched the heart of many this way, and he taught his family to do the same. We’ve had the pleasure of visiting his restaurants, and introducing friends and family, not only to his delicious menu choices, but also to his warm and inviting personality! He always came out of the kitchen when he knew you were there, and shared words and thoughts with you. In both areas, food and conversation, he always left you feeling like “Oliver Twist”, when he said: “more sir!” Our prayers are with you and the children Ursula. And May you find comfort in knowing that Ricky is in God’s memory.

“ To Ursula, Rickey and Tiffany: I had the pleasure of meeting Rickey in 2007 when we purchased our house in Fairburn. Rickey Jr, Jamal, Willie and the rest of the crew seem to hang out by your house daily. Big Rickey kept them in check always! He looked out for the boys as if they were his own. He will be missed but never forgotten. Praying God's warm love and grace surround your family during this time of sadness. We love you and will keep you lifted up in prayer. Praying for God's comforting love and care for Ursula, Ricky and Tiffany and the rest of Ricks's family. Rick left so many kind memories with so many folks in the Fairburn and south Fulton area. I had the pleasure of meeting Rick while working at Green Manor, we volunteered together for years at Helping Hands Holiday Dinner, caught up while dining at Casa Blanca and enjoyed a friendly hello as neighbors. His recent wish to 'have a blessed day' will linger in my mind for a long time. The Lord has welcomed another dear soul home.
