“ *Just that sweet smile is enough to brighten any memory. I recall a sweet toddler visiting in Daytona Beach and we dressed him up in a cowboy suite, plaid shirt, fringed vest, chaps and apacifier! Love that picture. From there he naturally grew into a wonderful man with an unconditional love for his family. I am thankful that I know he is in Heaven. I am also an Aunt who proudly called him nephew. I joyfully recall his racing adventures in Barberville, Daytona and New Smyrna. His memory is nested in my heart and I look forward to recalling that sweet smile often. Love to all left to carry on in memory his legacy of love and the many gifts he blessed everyone with all the time. God's comfort to all. ❤️ Aunt Jean*

“ I've known Rick for over 30 years. We met while working at an automotive shop in Fayetteville. It didn't take long for his love of racing to lure me in and I spent several years as his crew chief building and chasing that elusive checkered flag all over this state and the southeast. This also mean that I got to spend lots of time with him and his family building and working on his race care, so much that his 2 oldest son's thought of me more like an uncle than just an associate, which I treasured deeply. Rick and Mary were family and helped me through some troubled times as well. I'll always look back fondly on the memories made together, the adventures we had and the bonds made. Rick was always supportive, friendly and a great man and father. It's bittersweet that you've won this race home brother. I look forward to the day we meet again in Heaven.
