“ My wonderful husband is missed so much, we were together for 44 years . He took care of me when I was in a bad car accident and couldn't get out of bed for almost a year . I loved him so deeply. He never got to retire . We had so many plans . He was taken from me way to soon . My heart is broken 💔 Cholangiocarcinoma cancer took him 3 months after he was diagnosed. I will miss him all the days of my life I have left.

“ *A first met Richard when I was approximately 15 years old.. and that is when he met his wife to be forever Rayna.. I may be off a year or so but that's my memory.. LOL he was an absolutely wonderful friend to so many people, most importantly he was the most amazing husband to one of my dearest friends and his wife Rayna... My memories of him or if he is being a young man and Rayna being a young girl, and they feel madly in love!.. and after 40 years that love stayed the same!.. he will be missed tremendously!... But the memories will be here forever Richard!.. you are an absolutely amazing husband, and absolutely amazing father! I hope you rest in peace my friend! Thank you for being a part of my life!*
