“ *Losing a child is the most unbearable indescribable pain that I wish on no one. My angel in Heaven passed 4 1/2 yrs ago and he was such great friends with Bryan and Lexi. I hope it brings y'all some peace to know Donovan will be wrapping Robby in his heavenly wings until y'all can be together again. I love y'all so much and I'm here always. I pray for the strength you both need to move through this pain everyday and remember and honor your angel constantly. There is never a time you will get over it Or the pain will lessen but you will Learn to live with this new normal and love Samuel and your angel Robby with every fiber of your being.* ”
