“ *I'm so sorry to hear of Roberts passing. Robert would often stop by my dads farmhouse when he saw me there mowing the lawn or doing yard work. He kept me updated on family and neighborhood events as I did not live nearby. I treasured the time He spent with me and will forever miss his friendship.*

“ So sorry to hear this news. Robert was always very friendly wherever you saw him. He and Kathryn were always at our Campbell High class of '56 Gatherings and he enjoyed being with the Cedar Grove music friends on Tuesday nights. Just know that each of you and the family are in our prayers for comfort and strength at this time.

“ Robert Blalock was a universally loved member of the Rabun County (Georgia) High School Class of 1959. It was a joy to be around him. He almost always could find something to joke about and his laugh was contagious. He was an unusually good person. Although none of us will likely be attending visitation or the funeral, all of Robert's classmates send condolences to his family and friends.

The news of Robert's death makes me very sad. Robert was one of my students at Rabun County High School. He was a senior in the class of 1959, and I was a first year teacher. Robert was the kind of student a teacher appreciates: kind, always pleasant to be around, and liked by the other students. My husband and I were able to keep in touch with him throughout the following years at the class reunions. He will be missed by many. May our great God give the peace to his family that only He can give.
