He is my little brother at heart and always will be. I know where he is today and I know Heaven has gained a really good one. I love you Robert for always and forever.... Jackie

“ *Only God know why it was our baby's time to go. When he was born I claimed him as mine, but he was so sick with his little heart and had to stay in the hospital so much that he didn't really remember me that much when he came home so I had to win him over again. Even though he knew better to agrivate me he always called me Red. I did threaten him but he would only laugh at me, he knew I would never hurt him. I'm sorry for the hurt of my Blankenship family, I will keep you all in my prayers. I love you all. Kay U Price.*
