“ *We first met Bob and heard him sing more than 25 years ago. He was singing with Big Country at that time. Down thru the years we continued to enjoy his music so very much. We last heard him in the Hollonville Staff Band - Blue Jam. Bob was blessed to be singing on stage until he was 87 years old. We will never hear the song "Little Newspaper Boy" or "It's Only the Wind" without thinking of Bob Sanford. Betty, you were his # 1 Fan and always were there for him. We will be praying for you, Betty and for your family. Bob will definitely be missed very much.*

“ We did not personally know Mr. Sanford but the very first time we visited the Hollonville Opry House he was sitting in a chair center stage playing his guitar. I felt that we were very privileged to hear him practice his art. It was impressed upon us that his talent was so perfected and that someone his age was still blessing people with it. Our hearts go out to you in your loss. We will miss not seeing him on stage again and are so glad we got to see him now and again.

Bob will be missed by everyone at Hollonville Opry. We enjoyed his singing, playing and picking on Lynwood.

“ There are times in our lives when we really don't know what to say or do and this is one of those times, so all I can do is promise you that I will pray. Betty, you and Bob are like family to me. You have been there for me in whatever I needed. I love and appreciate you both so much. We will certainly miss Bob, but I am here for you in any way that I can help. So just remember that.
