“ Hey Daddy, it's me. Yep you know it. I dropped the ball again and screwed up. I knew I shouldn't have had this surgery on my arm. I should have just kept going. I would give you anything to have you and Mom still here so I can talk too. I hope you know how much I miss you and I love you and thank you for watching CJ while he's in basic training and please continue to do so until he graduates you are one. Awesome Papa. Dad, I love you Mom so much and if you get bored and want to come see me please do so. I could really really use another head slap or just a hug. I love you Daddy

*Its has been awhile since I dropped you a line and I am sorry. It been a year that is all I can say, things are not the same without you and mom. From B-Days to Christmases I miss you everyday. I have taken CJ hunting a few times but we did not have any luck however it was fun. I think of you every time I am out in the woods. I miss those days. As you can see Savanna is in the Air Force, she thinks about you all of the time and hopes that you are proud of her. She is a very good kid and I am proud of what she has done so far. Jimmy and I have not talked to much we had a issue about the deer stand that I bought for you. Dad I think about you all of the time some days are really hard you are my hero and I hope you know that. I can only hope that I can you proud. I have one question can you loan me some money..... haha I hope that you and mom are enjoying the holidays and tell Uncle Dave I love him. Dad I will be over that way to make sure that things are clean and look good. Merry Christmas dad and I love you.*

Just wish I could hear them again. Thanks for being such a great dad and a friend. You have always listened and always been there for me and I thank you. “ Hey Dad,  
Its been awhile since I dropped in...Sorry I just wanted to say hello and that I love and miss you. I will come by tomorrow or the day after it depends how tired I am. Things around here are not the same since you and mom have been gone. Sometimes it seems like that all of this is just a dream. I can hear your voice just like we was talking on the phone like we did every night. Its not fair that I don't have you around anymore to smack me in the back of my head or even yell at me when I ask to borrow money..lol.. Dad I am thankful to have all of the memories and grateful to have you as my father. I love and miss you dad.

I just wanted to let you know that I will be there Saturday to make sure all is good and to clean up if need be. Its almost like I am still taking care of the yard for you. Looks like another hunting season gone by with no place to hunt and it sucks I really wont to take cj hunting. Dad I just to tell you that things stink without you and mom. When are you going to drop in and make things better. Xmas is upon us and I start to miss you and mom more but dont tell mom that. She would be upset. Dad I think about you everyday in someway.
