“ I happened to notice the funeral notice and even recognized the face. I as a teen worked with Bob at the R A summer camps. He had a profound influence on my life that I have never forgotten. He inspired me with his physical prowess and the mental exercises he taught me I use now remembering him even though I have had no contact since then. He was a great person!

“ Jo and family: Precious in the sight of the Lord is the death of His saints. And also among us who share the journey of faith. Bob's searching and seeking mind was matched with his selfless service and constant friendship and fellowship. Joy and I cherish memories with him and you. We are traveling to Waycross on the 30th so will not see you graveside. Love in the Lord, Everett & Joy Tumblin

“ So many memories we have of Uncle Bob. Mission trips, work days, sitting under Bob and Miss Jo’s teaching, laughing watching him work.

My most powerful memory:

While working on a church building in the hot sun, high in the rafters one summer, years ago, a local young man wanted to know more about what we were doing and why.

This was not about the building but about the Christian effort we were giving, traveling and sharing our Christian love with others.

During this time of sharing with this young man, I stopped and witnessed Bob lead this young man to Christ, on the open rafters, in the sun on a hot day.

This is the man I knew as Uncle Bob Croom.
